

Parkway Christian Theatre Booster Club

The PCS Theatre Department is dedicated to teaching children and youth 'life skills' through theatre arts education. Using innovative and artistic programming students are empowered to discover their God given talents and to use them to glorify Him through acting, song and dance. The Parkway Christian Theatre Booster Club assists in the success of the PCS Theatre Department by supporting the students and the directors through fundraising and organizing volunteers to staff the many theatre department activities throughout the year. Joining or volunteering with the PCS Theatre Booster Club is a wonderful way to support our theatre students! Thank you!
