

Elementary Dress Code

The standards of dress and appearance for students at PCS are intended to encourage reverence toward the house of God, to show respect to the school and its faculty, to build school spirit, to give priority to the development of the inner self over outward appearance, and to discourage conforming to worldly fashion. Students are expected to be well groomed and neatly dressed. The following standards are not intended to be all encompassing. Administrators have the responsibility and authority to apply these general guidelines when confronted with questionable appearance not covered specifically.

All Uniform items may be purchased at <https://www.globalschoolwear.com/>
