

## **FAQ's**

### **What are the reasons for the uniform changes?**

Tommy Hilfiger offers competitive pricing on updated uniform options while providing convenient online ordering, home delivery, and returns. School Uniforms by Tommy Hilfiger also gives back to the Parkway community with a 5% cash back rewards program.

### **What are the major differences/changes between our current dress code and the updated dress code.**

- We are changing uniform suppliers. In the past, parents have purchased Parkway's plaid pattern and other uniform pieces from Connie's Children's Shop and School Blues. School Uniforms by Tommy Hilfiger will now be our exclusive supplier of plaid items. Please see below for more information on our plaid pattern.
- Skorts—a skirt on top with shorts attached underneath— instead of skirts. Skorts are now an option for all female students. Please see the School Uniforms by Tommy Hilfiger website for examples.
- Logos on tops are now an option for all students. Logo tops must be purchased through the School Uniforms by Tommy Hilfiger website. One significant change to note: oxford shirts now require a logo.
- All students have the option to wear a crew neck sweatshirt with their uniform. These crewnecks must be purchased through the School Uniforms by Tommy Hilfiger website with an embroidered logo.
- Our MS/HS students now have the option to wear a polar fleece half zip or full zip jacket with their uniforms.
- We are discontinuing black as a color option for pants, pants colors will be khaki or navy only.
- Spiritwear will be available for purchase year-round on the School Uniforms by Tommy Hilfiger website.

### **Will there no longer be plaid by the 24/25 school year?**

There will always be a plaid for the jumpers and skorts. Parkway is looking at options to change our current plaid pattern to a new pattern for the 23/24 school year. In the meantime, any plaid change will be a phased rollout, meaning our current plaid will still be uniform compliant through the 24/25 school year.

### **Please explain the new kindergarten uniforms.**

We are moving to a play-based comfort model of clothing for our kindergarten students. This will provide an easy transition from no uniforms in preschool to uniforms in the first grade. Rest assured that white is not a color option. Please see the updated dress code as well as the online school store for ordering options.

### **Will the blazer be required?**

No, the blazer is not a required uniform piece.

### **Do we have to purchase uniform pieces from Tommy Hilfiger?**

Items required to have the Parkway logo, plaid jumpers and skorts must be purchased from the School Uniforms by Tommy Hilfiger website. All other non-logo items may be purchased from School Uniforms by Tommy Hilfiger or from your favorite local store, provided that the items match those on the School Uniforms by Tommy Hilfiger website.
