

Job Title: MS/HS Science Teacher
Location: Parkway Christian School
Position Type: Full-Time

Position Overview:

Parkway Christian School is seeking a passionate and professional Middle/High School Science Teacher who is committed to academic excellence and Christ-centered education. The ideal candidate will create an engaging, rigorous learning environment that inspires curiosity, critical thinking, and a deep understanding of scientific principles while supporting our mission of *challenging minds, capturing hearts, and cultivating gifts*.

Key Responsibilities:

- Plan and deliver dynamic, standards-based science instruction for high school students.
- Utilize interactive teaching strategies, labs, experiments, and technology to deepen conceptual understanding.
- Create a structured, engaging classroom environment that promotes inquiry, collaboration, and academic excellence.
- Differentiate instruction to meet diverse learning needs and prepare students for college and career readiness.
- Assess student progress regularly and provide timely, constructive feedback.
- Integrate faith and learning in alignment with the mission of Parkway Christian School.
- Maintain clear, consistent, and professional communication with students, parents, and colleagues.
- Participate in faculty meetings, professional development, and school-wide activities.

Qualifications:

- Bachelor's degree in Science Education or related field (Master's preferred).
- Valid teaching certification (or ability to obtain certification).
- Experience teaching high school students is preferred.
- Strong classroom management skills and a commitment to professionalism.
- Demonstrated ability to engage students through rigorous, student-centered instruction.
- A personal commitment to and alignment with the mission of Parkway Christian School: *challenging minds, capturing hearts, and cultivating gifts.*

Why Join Parkway Christian School?

At Parkway Christian School, we are dedicated to developing students academically, spiritually, and personally. Our faculty are collaborative, mission-driven professionals who are passionate about investing in students' lives and preparing them for future success.

Interested candidates should submit a resume and cover letter for consideration.
