Dear Parents and Students,

Congratulations on the completion of another school year! The following is the 6th grade summer reading requirement for the summer of 2022. The purpose of summer reading is to enjoy literature as well as prevent students' reading and writing skills from regressing. Please have your students enjoy their books as they refresh and recuperate this summer.

For this year's summer reading assignment, incoming 6th grade students may choose a book to read of their own interest with at least 150 pages. After reading, students will write two well-developed paragraphs on the topics provided (see attached sheet). Students are encouraged to produce quality work as this gives an indication of their writing abilities. This assignment will be collected the first week of the new school year.

Please note that students may NOT read romance novels or novels dealing with the occult.

In addition, students are encouraged to read at least 20 minutes daily during the summer. Many times, students will make a lot of progress during the school year, but when they do not read daily over the summer, they often lose reading development...kids who do read tend to gain reading proficiency.

If you have any questions please direct them to:

Mrs. Ashley Jagitsch at ajagitsch@parkwaychristian.org.

Have a blessed summer, and we look forward to seeing you back in the fall.
